I wanna shine, I wanna go
I wanna live, I wanna know
I wanna be stronger now.

Oh, Oh, Oh.

Well I can do what they do in less than an hour,
But I gotta thank God and His spiritual power.
I'm nothing without you, I'm nothing without Him,
I'm just a silly kid sitting up in his bedroom.

Well if I wasn't so proud,
Always have my head stuck in a cloud.
I think I'd have a friend or two,
But who wants a friend with a heart so blue.

Well I'm stronger now, I'm stronger now.
Been fighting my way through a wretched crowd.
You had words like a gun that cannot miss.
Been shot by your lips lifeless kiss.

How, How, How?

I wanna shine, I wanna go
I wanna live, I wanna know
I wanna be stronger now.

This temporary flesh and bones,
The only thing I've ever known.
It's safe to say I have today,
But who knows if I'll fade away.

How, How, How?

But now I am stronger.

I wanna shine, I wanna go
I wanna live, I wanna know
I wanna be stronger now.

This temporary flesh and bones,
The only thing I've ever known.

It's safe to say I have today,
But who knows if I'll fade away.

Well if I wasn't so proud,
Always have my head stuck in a cloud.
I think I'd have a friend or two,
But who'd want a friend with a heart so blue.
