Stars Will Fly
Stig Benson

I know I said I've loved before
I knew you'd walk right out the door
I saw it clearly in your eyes
The words you said were no disguise
Proudly I can stay today
I've gone so far, so far away
I'm on the path, I wanna know,
I'm on the path, I wanna go

Stars will fly through the darkness of the night
My soul and my mind are ready to take flight
Ohhhhhhhhhhhhhhhhhhhhh
Ohhhhhhhhhhhhhhhhhhhhh

Take me on
I'll be watching dancing
Through the night
Holding down the sunrise
Stars will fly chasing the trails of the old

I said:
Take me on
I'll be watching dancing
Through the night
Holding down the sunrise
Stars will fly chasing the trails of the old

The time has come for me to love
The time for me has come because
My eyes are open wide and clear
There's no more hiding, no more fear
I put my feet down on the ground
We're standin' proudly on the town
I pray to God I will be found
I raise my voice but make no sound

Stars will fly through the darkness of the night
My soul and my mind are ready to take flight
Ohhhhhhhhhhhhhhhhhhhhh

Ohhhhhhhhhhhhhhhhhhhhh

Take me on
I'll be watching dancing
Through the night
Holding down the sunrise
Stars will fly chasing the trails of the old

I said:
Take me on
I'll be watching dancing
Through the night
Holding down the sunrise
Stars will fly chasing the trails of the old
