Box Set Disc1

Carry On, Questions

by

David Crosby, Stephen Stills, Graham Nash, & Neil Young

One morning I woke up and I knew
You really gone
A new day, a new way, I knew
I should see it along
Go your way, I'll go mine
Carry on

The sky is clearing and the night
Has gone out
The sun, he come, the world
is all full of light
Rejoice, rejoice, we have no choice
We've got to carry on

The fortunes of fables are able
To sing the song
Now witness the quickness with which
We get along
To sing the blues you've got to live the tunes
Carry on

Carry on
Love is coming
Love is coming to us all

Where are you going now my love?
Where will you be tomorrow?
Will you bring me happiness?
Will you bring me sorrow?
Oh the questions of a thousand dreams
What you do and what you see
Lover can you talk to me?

Girl when I was on my own
Chasing you down

What was it made you run?
Trying your best just to get around.
The questions of a thousand dreams
What you do and what you see
Lover can you talk to me?
