Words and music by Stephen Stills

There's something happening here  
What it is ain't exactly clear  
There's a man with a gun over there  
Telling me  
I've got to beware

Chorus:  
Think it's time we  
STOP! Hey  
What's that sound  
Everybody look what's going down ...

There's battle lines being drawn  
Nobody's right, if everybody's wrong  
People speaking their minds  
Getting so much resistance  
From behind

Chorus:  
Think it's time we  
STOP! Hey  
What's that sound  
Everybody look what's going down ...

Singing songs and carrying signs  
Getting so much resistance  
From behind

Chorus:  
Think it's time we  
STOP! Hey  
What's that sound  
Everybody look what's going down ...

Paranoia strikes deep  
Into your life it will creep  
It starts when you're always afraid  
Step out of line  
The Men come and shoot you down

Chorus:  
Think it's time we  
STOP! Hey  
What's that sound  
Stop and take a look around

Hey! What's that sound  
Look what's going down.
