Words & music by Graham Nash

Look around me
I can see my life before me
Running rings around the way
It used to be

I am older now
I have more than what I wanted
But I wish that I had started
Long before I did

Chorus:
And there's so much time to make up
Everywhere you turn
Time we have wasted on the way

So much water moving
Underneath the bridge
Let the water come and carry us away

Oh when you were young
Did you question all the answers
Did you envy all the dancers
Who had all the nerve

Look round you know
You must go for what you wanted
Look at all my friends who did and got what they
deserved

Chorus:
And there's so much time to make up
Everywhere you turn
Time we have wasted on the way

So much water moving
Underneath the bridge
Let the water come and carry us away

And there's so much love to make up
Everywhere you turn

Love we have wasted on the way

So much water moving

Underneath the bridge

Let the water come and carry us away

Let the water come and carry us away
