(UPS) EARTH JULY 1975

Black sails knifing through the pitchblende night  
Away from the radioactive landmass madness  
From the silver-suited people searching out  
Uncontaminated food and shelter on the shores  
No glowing metal on our ship of wood only  
Free happy crazy people naked in the universe  
WE SPEAK EARTH TALK  
GO RIDE THE MUSIC  
If you smile at me you know I will understand  
Cause that is something everybody everywhere does  
In the same language  
I can see by your coat my friend that you're from the  
other side  
There's just one thing I got to know  
Can you tell me please who won  
You must try some of my purple berries  
I been eating them for six or seven weeks now  
Haven't got sick once  
Probably keep us both alive  
Wooden ships on the water very free and easy  
Easy you know the way it's supposed to be  
Silver people on the shoreline leave us be  
Very free and easy  
Sail away where the mornin sun goes high  
Sail away where the wind blows sweet and young birds  
fly  
Take a sister by her hand  
Lead her far from this barren land  
Horror grips us as we watch you die  
All we can do is echo your anguished cry and  
Stare as all you human feelings die  
We are leaving  
You don't need us  
Go and take a sister by her hand  
Lead her far from this foreign land  
Somewhere where we might laugh again  
We are leaving  
You don't need us  
Sailing ships on the water very free and easy  
Easy you know the way it's supposed to be  
Silver people on the shoreline leave us be

Very free  
And gone  
NO C'MON  
GO RIDE THE MUSIC  
C'MON RIDE IT CHILD
