"Let it Shine"

There's a light on over my head, my Lord
There's a light on over my head, my Lord
Let it shine, let it shine
Although it may not be the only one
Let it shine, shine, shine
Although it may not be the only one.

There's a moon roof over my head, my Lord
And my Lincoln is still the best thing built by Ford
Let it roll, let it roll
Although it may not be the only one
Let me ride, ride, ride, ride,
Although I may not be the only one.

I got religion in the airport, my Lord
They caught me waiting on my baggage when I was
bored
Let them chant, let them chant
Although they may not be the only one
Let them dance, dance, dance
Although they may not be the only one.

There's a light on over my head, my Lord
There's a light on over my head, let it shine
Let it shine, let it shine
Although it may not be the only one
Let me shine, shine, shine, shine
Although I may not be the only one.
