I was lonesome as I could be  
In a bad kind of time  
Till I saw you look at me  
Where the smoke is fine  
All of my troubles disappear  
When I watch you move  
Girl, your body said everything  
And I know you knew  
I want to make love to you, yeah (Love you, love you,  
love you, love you)  
Make you feel all right  
I want to make love to you, oh yes I do (Love you, love  
you, love you, love you)  
Yes it will take all night  
In a smoke filled bar  
In a southern town  
I met somebody special  
I wish I could stick around  
But I don't mind saying that  
Do you baby?  
Cause the time that we had was such a rush  
And you're such a lady  
I want to make love to you, oh yes I do (Love you, love  
you, love you, love you)  
Make you feel all right  
I want to make love to you, oh yeah (Love you, love you,  
love you, love you)  
Yes it will take all night  
Girl when you look my way  
I knew this night was ours  
It doesn't matter  
I'll be gone with the dawn  
So will you  
We choose  
Who we choose  
When we choose  
Nobody can take away  
The time we had  
Each moment extra long  
It's quite a memory to have  
Don't you forget with the dawn  
I'll be gone

And how we got together anyway  
Well that's another song  
I want to make love to you, oh yes I do (Love you, love  
you, love you, love you)  
Make you feel all right  
I want to make love to you, oh yeah (Love you, love you,  
love you, love you)  
It will take all night  
I want to make love to you (Love you, love you, love  
you, love you)  
Yes it will feel all right  
I want to make love to you, yeah (Love you, love you,  
love you, love you)  
Girl it will take all night  
Love you, love you, love you, love you  
Love you, love you, love you, love you
