Catch me free, singing all this for gotten!
It's in our blood, flowing, no there's no stopping!
The time for blowing, got you going, screaming and
begging for more!

Yeah, yeah!
It's a sen-(sa)-tion-(tion) that jumps in your heart!
It got you steady show the rocking from the time that
we started
It's a sen-(sa)-tion-(tion) that jumps in your heart
Open your ears, 'cause I'm coming inside

Hard times, and fast women
I got the juice man, yeah I'm still living
On the top of the end of the world

It ain't no mistery, see I pay no mind
New jams today, it's just the same old line
Someone claiming that the jaded fucking rock'n'roll

No, no
I need a sen-(sa)-tion-(tion) that jumps in your heart
It got you steady show the rocking from the time that
we started
I need a sen-(sa)-tion-(tion) that jumps in your heart
Open your ears, 'cause I'm coming inside

Hard times, and fast women
I got the juice man, yeah I'm still living
On the top of the end of the world
Hard times, and fast women
I got the juice man, yeah I'm still living
On the top of the end of the world

Yeah!
You nearly had the way you got to feel it babe
Just like you never felt before
Yeah, can you hear? Feel it coming at you, babe
You know I'm gonna make you scream for more
I'm gonna make you scream!

Catch me free, singing all this for gotten

It's in our blood, flowing, no there's no stopping
The time for blowing got you, going, screaming and
begging for more!
It's got you begging for more!

Hard times, and fast women
I got the juice man, yeah I'm still living
On the top of the end of the world
Hard times, and fast women
I got the juice man, yeah I'm still living
On the top of the end of the world
On the top
On the top to the end
End of the world
