

## O-town "All For Love"

Visit "[All For Love](#)" on [MotoLyrics.com](http://MotoLyrics.com)

All for love, baby  
Girl what I do, I'll do it for you  
All for love, baby  
Baby, my love, it's all for you

Oo oh  
(All for love)  
Oo oh oh  
(All for love)  
Oo oh  
(All for love)  
Oo oh oh

Girl, you're the only one I'd ever love in me  
'Cause when you're here with me  
You make me feel complete  
Girl, it's too hard to swallow  
To know there's no tomorrow  
Without you baby

So I'll do anything or go anywhere  
To tell the whole wide world that I care  
With all my power, I'll give you the reel  
That's how I feel  
For when it's

All for love, baby  
Girl what I do, I'll do it for you  
All for love, baby  
Baby, my love, it's all for you

Oo oh  
(All for love)  
Oo oh oh  
(All for love)  
Oo oh  
(All for love)  
Oo oh oh

I'm gonna show you I can be here every day  
And that's time and time again love will never end  
So I'll go anywhere and do anything

(To tell the world)  
I'll tell the world  
(That I care baby)  
I'll be your king, 'cause you are my queen, yea  
Life's a little dream  
Because it's

All for love, baby  
(All for love, baby)  
Girl what I do, I'll do it for you  
(I'll do anything for you, yea)  
All for love, baby  
(All for love, baby)  
Baby, my love, it's all for you  
(Baby, it's all for you)

All for you  
Baby, all for you  
Baby  
Baby, all for you  
What? What?  
Yeah yeah yeah  
Oo oh  
(All for love)  
(All for you)  
Oo oh oh  
(All for love)  
(Baby, all for you)  
Oo oh  
(All for love)  
(Baby)  
Oo oh oh  
(Baby, all for you)  
Whoa

It's easier sad than done to love  
But girl, it ain't hard when you're the one  
(It ain't hard when you're the one)  
Girl, you have my heart, yeah  
(Girl, you have my heart)  
Yeah

All for love, baby  
(Baby, yeah)  
Girl what I do, I'll do it for you  
(I'll do anything for you, yeah)  
All for love, baby  
(All for love)  
Baby, my love, it's all for you  
(Cause, baby, my love, it's all for you, oh)

Oo oh  
Oo oh oh  
(It's all for you, oh)  
Oo oh  
Oo oh oh  
(Yea, yea)

All for love, baby  
(All for love)  
'Cause, baby, my love, it's all for you
