If you're tumbling down and your spirits fall
Help's on the way
We hear your call

On a mission we're united as one
Friends forever
(Yeah)
Here we come

In no time we'll be at your side
(In no time)
We're a team on a rollercoaster ride
Each one of us knows just what to do
Never gonna stop
(Gonna stop)
Searching for you
(For you)

Baby ,listen to me
Searching for you
(Oh, for you)
We're gonna set you free

Coming to the rescue
Get there in a hurry
(Rescue)
Baby, don't you worry

(Rescue)
This adventure's heating up
I'll rescue you and if I do you gotta rescue me

So if you're lost
One thing is true
Never gonna stop looking for you
You're not alone
So have no doubt
We'll put our heads together
Gonna figure it out

Oh!
Baby, listen to me

We're gonna
Gonna set you free

Coming to the rescue
Get there in a hurry
(Rescue)

Baby, don't you worry
(Rescue)

This adventure's heating up
I'll rescue you and if I do you gotta rescue me
