If you're tumbling down  
And your spirits fall  
Helps on the way  
We hear your call (hear your call)  
On a mission we're united as one  
Friends for ever yeah  
Here we come

In the time we'll be at your side  
We're a team on a roller coaster ride  
Each one of us knows just what to do  
Never gonna stop  
Gonna stop  
Searching for you

Oh for you  
Be there listening to me  
Searching for you  
Oh for you  
We're gonna set you free

Coming to the rescue  
Get there in a hurry  
Rescue  
Baby don't you worry  
Rescue  
This adventures heating up  
I'll rescue you and if I do you've  
Got to rescue me

So when you're lost  
One thing is true  
Never gonna stop looking for you  
You're not alone so have no doubt  
We'll put our heads together gonna figure it out oh

Baby listening to me  
We're gonna  
Gonna set you free yeah

Coming to the rescue  
Get there in a hurry

Rescue  
Baby don't you worry  
Rescue  
This adventures heating up  
I'll rescue you and if I do you've  
Got to rescue me

Rescue (till fade)
