She's a special girl
With her own money, job, and credit cards
A sexy girl
You better be careful or she'll pull your card
In this world
You wont find any like her standing around
And I want a girl like her
And I need a girl like her

Girl
A pretty girl
A lovely girl
Girl
A down for whatever special girl
Girl
A smart girl
A real girl
I need her in my life always
Girl
A sexy girl
A lovely girl
Girl
A down for whatever
special girl
Girl
A smart girl
A real girl
I need her in my life always
Girl

Every day oh I
I think about where she is
And who she's with
And whoever he is can he truly handle it
Cause there is only one kind of guy
For this kind of girl
And I want her
And I need her
I gotta have this girl
