I swear
By the moon and the stars in the skies
And I swear
Like a shadow that's by your side

--8 quater notes--

I see the questions in your eyes
I know what it's weighing on your mind
You can be sure I know my part

Cause I stand be side you through the years
You'll only cry those happy tears
And though I make mistakes I'll never break your heart

I swear
By the moon and stars in the skies
I'll be there
I swear
Like a shadow by your side
I'll be there
For better or worse
Til do death us part
I'll love you with every beat of my heart
I swear
Ooh

I'll give you everything I can
I'll build ur dreams with these two hands
We'll hang some memories on the walls
And when (and when) the two of us are there
You wont have to ask if I still care
Cause as the time turns the page
My love wont age at all

And I swear
By the moons and stars in the skies
I'll be there(I'll be there)
I swear(and I swear)
Like a shadow by your side
I'll be there (ill be there)
For better or worse

Till do death us part
I'll love you with every beat of my heart(beat of my heart)
And I swear(ooh yea)
(Sax plays)

I swear (I swear)
Like the moons and stars in the skies
I'll be there(ill be there)
I swear(I swear)
Like a shadow that's your side
I'll be there (ILL BE THERE!)
For better or worse(For better or worse)
Till do death us part(ooh no)
I'll love you with every beat of my heart(every single beat of my heart)
And I swear(I swear 2x)
Oooh oooooowooooooooo I'll swear
