in a world full of posers, phonies, and wannabees,
there finally emerges a group
which has come to set the record straight.

can you say uhhh na na na na

[chorus]

make her say UHHH na na na na
make her say UHHH na na na na
wanna make her say uh uh uh uh na na na na
make her say UuUuUhhh na na na na

i met a fly girl she's about nineteen
third row, corn rows, dancin slow
she's as cool as an eskimo, yo
Ooh i think she's feelin my flow

at the hotel, motel, holiday inn
baby that's where the story begins

(she's got) everything i want in a girl
(i know) i can take her round the world
(she's just) standin there
and all i wanna do is...
