i know when he's been on your mind
that distant look is in your eyes
i thought with time you'd realize it's over, over

it's not the way i choose to live
and something somewhere's got to give
as sharing this relationship gets older , older

you know i'd fight for you
but how can i fight someone who isn't even there
i've had the rest of you , now i want the best of you
i don't care if that's not fair

chorus
cause i want it all or nothing at all
there's no where left to fall
when you reach the bottem, it's now or never
is it all, or are we just friends
is this how it ends, with a simple telephone call
you leave me here, with nothing at all

there are times it seems to me
i'm sharing you in memories
i feel it in my heart but i don't show it, show it
and then there's times you look at me
as though i'm all that you can see
there's times i don't believe it's right, i know it, know it

don't make me promises
baby you never did know how to keep them well
i've had the rest of you, now i want the best of you
it's time for show and tell

CHORUS

Cause you and I
Could lose it all if you've got no more room
nowhere, inside, for me in your life

Cause I want it all or nothing at all
There's no where left to fall its now or never

(key change)
Is it all or nothing at all
Theres no where left to fall
When you reach the bottom, it's now or never
Is it all, or are we just friends
Is this how it ends, with a simple telephone call
You leave me here, with nothing at all x2
