(this is by an awesome Irish band called Mytown)

How can I believe that my  
Heart would find someone like you  
You see the real me  
No in-betweens, I had nowhere to hide  
You took away the walls around me  
Made me feel safe to share my truth

Chorus:

I see the heavens open  
A heart that once was broken  
Is holding nothing back  
Now that I found you  
You hold me like a prayer  
You touch me everywhere  
A lifetime just ain't enough to love you true  
Now that I found you 3x

You believe we're meant to be  
Our chemistry will last forever  
And through the years we'll see some tears  
We'll conquer fears, together we will grow  
Well I'm looking in your eyes they tell me  
I'll no longer have to feel alone

Repeat Chorus

You, you see me  
The real me  
You believe in me

Repeat Chorus
