Are you thinking what I'm thinking

Every little moment

Every special word

Has so much meaning that I'm feeling you're
completing my world

But I've tried to say this so long

But the words don't come when you love someone

It's just too hard to say

How do I say, say

Say this to you

How do I prove my love

(How can I prove my love)

How do I say this to you

How do I prove my love

How do I say, say

Oooh yeah
