Ooh, ooh, oh, yea, yea  
When I see ya  
See ya  
See ya  
Cant believe ya  
'Lieve ya  
'Lieve ya  
Did you slip on heavens floor, a fallen angel

I've been around the world  
But I've never seen a girl  
Who makes my nature rise the way that you do

Like Haagen Das you hit the spot  
You make me scream 'cause you got a lot  
In your Calvin jeans you are a beauty queen  
And you are blowing my mind

Just one look was all it took I'm shook  
'Cuz no one else compares to you

You're crazy, sexy  
Got a body like a dancer on MTV  
(MTV)  
I spend all my years and I hold you close to me

You're the sexiest woman alive  
(Sexy, sexy, sexy)  
Your blazin' so insane  
(Nooo)

Got to work that body like you're on soul train  
(Soul train)  
You got the stuff to make a guy do most anything  
You're the sexiest woman alive  
(Sexy, sexy, sexy)

When you walk into the room the first reactions  
(Ooh)  
Every guy around just wants to sweat ya  
But I bet a million boo  
They don't feel you like I do

'Cause I'm about to make you my wifey, my wifey

Like Haagen Das you hit the spot  
(Girl you know you got a lot)  
In your Calvin jeans you're a beauty queen  
(And you blowing my mind)  
Just one look is all it took I'm shook  
'Cuz no one else compares to you

You're crazy, sexy  
(Sexy)  
Got a body like a dancer on MTV  
(Ahh)  
I spend all my years and I hold you close to me

You're the sexiest woman alive, sexy, sexy  
(Yeah)  
(Sexiest woman)  
Your blazin' so insane  
(So insane)

Work that body like you're on soul train  
(Soul train, soul train)  
You got the stuff to make a guy do most anything  
(Anything)  
You are the sexiest woman alive  
(Alive)  
(Sexy, sexy, sexy)

Though I've been around the world  
I never had a girl like you  
One who makes my dreams come true  
Been to Africa  
Yeah  
Had Sushi in Japan  
Used to think I was the man yeah  
Though I've tasted all the finer things  
I've never had a time like you

I like, the way that we touch in the night  
Girl your love just knocks me out  
You're the sexiest woman alive  
(Alive)  
(You are so damn sexy baby)

(You are blazin')  
I like, the way that we touch in the night  
Girl your love just knocks me out  
(Knocks me out)  
You are the sexiest woman alive  
(Ohhh)

You're crazy, sexy  
Got a body like a dancer on MTV  
(Girl you got a lot bump in your trunk)  
I spend all my years and I hold you close to me  
You're the sexiest woman alive  
(You're so damn sexy driving me crazy)  
You're blazin' so insane

(No one compares to you)  
(No one can do what you do, and I feel you are the one  
that I need in my life)  
(Oh in my life)  
Work that body like you're on soul train  
You got the stuff to make a guy do most anything  
You're the sexiest woman alive  
(Sexy, sexy, sexy)

You're crazy, sexy  
Got a body like a dancer on MTV  
(MTV)  
I spend all my years and I hold you close to me  
(Close to me)  
You're the sexiest woman alive  
(Alive)  
(Sexy, sexy, sexy)
