Shy, shy girl
Yeah, yeah
Ohh ohh

Standing with the wallflowers
Wishing you would've stayed at home
You kick yourself for comin'
When you're standin' there all alone, ohh ohh
The centers of attention
Are busy makin' all their moves, ohh girl
While all the guys are lookin' at them
I got my eye on you, only you

You might think you're nothin' special
You might be losing hope
But baby, don't you realize
How beautiful you really are!

Shy girl
It's written on your face
A mermaid out of water
Feelin' out of place
Shy girl
Tryin' to hide a blush
Caught you lookin' for a second
Felt my heart rush
Don't run away
Don't be afraid
Don't be shy girl
So beautiful
Shy, shy girl

I'm moving in closer
Slowly trying to break the ice
(Shy, shy girl)
But it's hard to get a lock on
Your downward glancin' eyes, oh yeah
You might think you're nothin' special
But I'm about to lose my heart
Oh baby, don't you realize
How beautiful you really are!

Shy girl
It's written on your face
A mermaid out of water
Feeling out of place
Shy girl
(Oh yeah)
Tryin' to hide a blush
'Caught you lookin' for a second
Felt my heart rush
Don't run away
Don't be afraid
Don't be shy girl

(Here we go now)
Now, I'm standin' right in front of you
I confess I'm nervous too
Girl, you know there's somethin' goin' on
And not to give it a chance
Would be so wrong
Oh, baby yeah

Shy girl
It's written on your face
A mermaid out of water
Feeling out of place
Shy girl
(Oh yeah)
Tryin' to hide a blush
Pretendin' that there's nothin'
Between the two of us
Don't run away
Don't be afraid
Don't be

Shy girl
It's written on your face
A mermaid out of water
Feelin' out of place
Shy girl
Tryin' to hide a blush
'Caught you looking for a second
Felt my heart a rush
Don't run away
Don't be afraid
Don't be shy girl

(Hey girl)
Don't be shy girl
Shy shy girl
(Don't run away)
Oh baby

Shy girl
(I can assure you)
So beautiful
So beautiful
(Come a little closer)
Shy shy girl
You make my heart beat so bad, yeah yeah
Shy girl
(Come on)
Shy shy girl
So beautiful
So beautiful
Shy girl
