I know when he's been on your mind  
That distant look is in your eye  
I thought with time you'd realize  
It's over over  
It's not the way I choose to live  
And something somewhere's got to give  
As sharing this relationship gets older older  
You know I'd fight for you  
But how I can fight someone who isn't even there  
I've had the rest of you now I want the best of you  
I dont care if that's not fair

Chorus:

Cause I want it all  
Or nothing at all  
There's no where left to fall  
When you reach the bottom it's now or never  
Is it all  
Or are we just friends  
Is this how it ends  
With a simple telephone call  
You leave me here with nothing at all

There are times it seems to me  
I'm sharing you with memories  
I feel it in my heart  
But I dont show it show it  
And then there's times you look at me  
As though I'm all that you can see  
Those times I don't believe it's right  
I know know it

Don't me make me promises  
Baby you never did know how to keep them well  
I've had the rest of you  
Now I want the best of you  
It's time for show and tell

Chorus

Cause you and I

Could lose it all if you've got no more room  
No room inside for me in your life  
Cause I want it all  
Or nothing at all  
There's no where left to fall  
It's now or never

Chorus x2
