Sensitive

who says a man's not supposed to be
sensitive sensitive
i'm keepin' the faith that you still love me

girl i know there's somethin' wrong
somethin' strange is goin' on
and no matter what i do
this thick wall i can't break through
girl i need to understand
but you won't give me answers
how can i help you
when you don't want me to

chorus

i never hear you laugh
i never see you cry
never heard you say you need a love like mine
see i'm givin' you everything that's inside but you need
to fill me up
cuz you're not playin' with the flame girl you won't get
burned
you know that's not the kind of thing i do
i guess i need to get what i give
what can i say girl i'm sensitive

ain't nobody out to control
you or what you stand for
baby girl i really need to know
do or don't you want this love
won't you help me understand
girl i really need some answers
how can i help you
if you don't want me to

chorus

sensitive
who says a man's not supposed to be
sensitive
i'm keepin' the faith that you still love me

sensitive
baby i'm not ashamed to be
sensitive i'm sensitive

chorus

i never hear you laugh
i never see you cry
who says a man's not supposed to be
see i'm givin' you everything that's inside
i'm keepin' the faith that you still love me
cuz you're not playin' with the flame girl you won't get
burned
you know that's not the kind of thing i do
i guess i need to get what i give
what can i say girl i'm sensitive
