When I see you  
Can't believe ya  
Did you slip on heaven's floor  
And fall an angel  
I've been around the world  
But I've never seen a girl  
Who makes my nature rise the way that you do  
Like Haagan Daz you hit the spot  
You make me scream  
Cause you got a lot  
In jeans youre a beauty queen  
And you're blowin' my mind  
Just one look was all it took  
I'm shook cause no one else compares to you

Chorus:  
You're crazy sexy  
Got a body like a dancer on MTV  
I want you close to me  
You're the sexiest woman alive  
Oh baby it's so insane  
And you work that body like you're on soul train  
I'd do most anything  
For the sexiest woman alive

When you walk into a room  
The first reaction's oohhh  
Every guy around just wants to sweat ya  
But I bet a million boo  
They don't feel you like I do  
Cause I'm about to make you my wifey  
My wifey

Like Haagan Daz you hit the spot  
You make me scream  
Cause you got a lot  
In jeans you're a beauty queen  
And you're blowin' my mind  
Just one look was all it took  
I'm shook cause no one else compares to you

Chorus

Though I've been around the world  
I never had a girl like you  
Who wanted to make all my dreams come true  
Though I tasted all the finer things  
I never had a time like you  
At night the way that we touch in the night  
Girl your love just knocks me out  
You're the sexiest woman alive  
I like the way we touch in the night  
Girl your love just knocks me out  
You're the sexiest woman alive

Chorus x3
