I've been waiting for the stars to come out
Dinner it was fine,
But I can't lie 'cause I've been waiting for ya
To come back to mine
I've been, thinking of you 24/7, every 365
Now the girl from Impanema
She's here right by my side
I got you now and I just wanna
Show you how to play
Goosebumps on your body
Guide the way
I wanna go all night
Ain't no stoppin' 'till the breakin' of the dawn
I wanna go inside every corner
Girl you really turn me on
I wanna go knock knock
Our bodies to the beat
And when the morning comes
we're letting the sun shine
We'll stay in bed
You can't separate us
We fit together

I can feel you comin' closer
Dancin' in the dark (Dancin' in the dark)
I touch your lips and kiss your shoulders
Send a letter to your heart
I can't explain to which extreme I'm feelin' you (Feelin'
you)
How many triple x dreams that's been starring you
I got you now and I just wanna
Show you how to play
Goosebumps on your body
Guide the way

I wanna go all night
Ain't no stoppin' 'till the breakin' of the dawn (Breakin'
of the dawn)
I wanna go inside every corner
Girl you really turn me on (I wanna go I wanna go)
I wanna go knock knock
Our bodies to the beat

And when the morning comes (When the morning
comes)
We're letting the sun shine
We'll stay in bed (Oh baby)
You can't separate us
We fit together

I won't get nothing done of what I oughta do,
It doesn't really matter to me
I-I-I am here with you
I can't explain to what degree I'm feelin' you
How many triple x dreams I've had starring you
But I got you now and i just wanna show you how to play
(Show you how to play)
Goosebumps on your body
Guide the way

I wanna go all night,
Ain't no stoppin' 'till the breakin' of the dawn (Breakin'
of the dawn)
I wanna go inside every corner (Every corner baby)
Girl you really turn me on
I wanna go knock knock
Our bodies to the beat (Knock knock to the beat)
And when the morning comes
We're letting the sun shine
Stay in bed,
You cant separate us
We fit together

I wanna go all night
Ain't no stoppin' 'till the breakin' of the dawn
(There ain't no stopping till the breakin' of the dawn)
I wanna go inside every corner (Every corner every
corner baby)
Girl you really turn me on
I wanna go knock knock
Our bodies to the beat
And when the morning comes (When the morning
comes)
We're letting the sun shine
Stay in bed
You cant separate us
We fit together
All night

I wanna go all night
Can I go inside
How about inside
I wanna go all night
Can I go all night

What about inside
Can I go inside
