All the lies that you've told me
everything that wasn't true
I just didn't realize
'cause I was in Love with you
But there is nothing you could do
to make things as they were
I have always loved you
But you wouldn't understand

I would never walk away
I would rather die
than Leaving you alone
Baby, I'd be by your side
I would never walk away
never walk away from you
tell me, all your wishes
I'd do anything for you

I never meant to be a jerk
If I was I am truly sorry
You never told me what was wrong
and I was just too chary
I guess we both made mistakes
But my love for you was truly
The most honest one and best I had
And for that I am not sorry

I would never walk away
I would rather die
than Leaving you alone
Baby, I'd be by your side
I would never walk away
never walk away from you
tell me, all your wishes
I'd do anything for you

Now I'm sitting here alone
writing a song to say I'm sorry
even though it was not my fault
I just trust__ed you blindly
And There is only one more thing
that I want you to know

You meant everything to me
But I have to let goooooo

I would never walk away
I would rather die
than Leaving you alone
Baby, I'd be by your side
I would never walk away
never walk away from you
tell me, all your wishes
I'd do anything for you

I would never walk away
I would rather die
than Leaving you alone
Baby, I'd be by your side
I would never walk away
never walk away from you
tell me, all your wishes
I'd do anything for you
