There once was a man with an evil spirit, that was so strong. that no one could bind him. for he had. been chained down. but he broke free and he cut himself night and day. but when he saw jesus. he fell to his knees, and he begged please God. donâ€[™]t torture me. and when jesus asked. what is your name. he said my Name is legion. for we are many. and the demon said. donâ€[™]t drive us out. but if you do. at least send us into the pigs. and jesus had compassion. on the man. so he drove them out and they drowned themselves in the lake. and when the People saw the man. sitting there. he was in his right mind. so they were scared. For they saw healing power. at first hand. yet they plead please teacher. leave our land. when jesus was getting in the boat. the man said please don't leave, for when i was at my worst, you still came to save me. you loved me when no one else could. so i give everything to you. jesus before you go. tell me what i must do. and the lord said child go home. and tell your family. that theyâ€[™] re never alone no. and the man nodded. his weary head. and as he sailed away. he thankfully said. oh jesus i will never forget you. and the mercy you gave to me. iâ€[™] m gonna shout to the whole world, of the one who can set us all free, from anything

Why do you harm yourself and shun my love for you. your blood wonâ \in ^mt wash away the pain thatâ \in ^ms haunting you.

You are possessed no more so now youâ€[™] re free to go. but you must spread the word to everyone you know. i have to go you have to stay but my love is with you i say this â€[~]cause i know that you are gonna feel alone
