She's adorable. and i confess i thirst for her ocean.
your river runs with
Butterscotch rapid currents and your stream flows with
cider from country
Apples and your morning dew leaves sparkling drops
of cherry cola and your
Not from georgia but your still a pretty peach
darlin' .
There is a brook. that trickles with blood.
And all my. red tears. have become. this roaring flood.
but i ain't complainin' .
About her stormy wake. just to be near her. i jumped
into a hurricane.oh she's. a sweetie pie. she's
a warm. juicy slice. yeah she's my favorite kind. for
just a taste. i'd pay any price. and believe me
she's the most adorable. girl i ever saw. she's
a. mouth watering vixen. and her lips. how they gleam
and glisten. oh they were. made
For kissin'. and there's so. much i'm
missin' but. i can't hold her. she's not mine.
She's your daughter. you up high. when will you
give me her hand. i'm
Dying. i'm crying. it won't be long. 'til i'm
gone. 'cause i love you. and only you.
It's been such hell. without you. you're
adorable. and i confess i thirst for
Your ocean. to me. i mean nothing to you no. i'm
sorry i carved you into an idol

Dare. me. to dive into the body of water. dare me to
sink right down to the bottom. in the depths i'll soak
it up and so fill my lungs and thus surely drown. but
why and what for when i know that beauty is fleeting.
oh no. i was such a fool. that's not enough.
she's not enough. she will never ever be enough.
never. be careful in whom you invest. i worshiped and
loved the flesh. and it ended in agony
