Babe, I've got my one track sights on you.
I've got my plan together, now it's time to execute.
How am I suppose to take you serious?
Your friends must have got you a little worked up.
You can't talk me out, talk me out of this.
Didn't know I was dealing with a S-T-U-B-B-O-R-N lover,
not just a friend.
S-T-U-B-B-O-R-N lover, why put an end to this?
S-T-U-B-B-O-R-N lover, you turn me down, I'll try and try
again.
Don't act like you don't dig the things I do (why not,
huh?)
Could have chosen anyone, why in the world would I
have chosen you?
Maybe I labeled you wrong because you came off too
strong
(that's my thing)
Words I never mean until you talk me out, talk me out
of this.
Didn't know I was dealing with an S-T-U-B-B-O-R-N
lover, not just a friend.
S-T-U-B-B-O-R-N lover, why put an end to this?
S-T-U-B-B-O-R-N lover, you turn me down, I'll try and try
again.
Oh, I'll try and try again.
You can't talk me out, talk me out of this. Didn't know I
was dealing with an S-T-U-B-B-O-R-N lover, not just a
friend.
S-T-U-B-B-O-R-N lover, why put an end to this?
S-T-U-B-B-O-R-N lover, you turn me down, I'll try and try
again.
Oh, I'll try and try again. You know I'll try and try again.
Oh, I'll try and try again
