Could someone help me comprehend
How I'm wanting to have friends is now this monster
that I feed
It's popularity I need
When people think that I'm the deal
It helps me feel like I am real
but I think I lost the me looking for the star machine
I don't want any part of it. everything is...
[CHORUS]
Here today, gone tomorrow
Big star machine
Ricky Martin or Menudo
Big star machine
VH1 where are they follows
Big star machine
How could I have been so shallow
Big big star machine Big big star machine Big big star
machine

Could someone help me comprehend
How I came to judge my friends
On a scale of trendiness
And somehow I love them less
Not as hip as they could be
Through the eyes of star machine
It's a dumb philosophy
To judge my popularity
I don't want any part of it. everything is...
[CHORUS]
Here today, gone tomorrow
Big star machine
Ricky Martin or Menudo
Big star machine
VH1 where are they follows
Big star machine
How could I have been so shallow
Big big star machine. Big big star machine. Big big star
machine.
everything is...

[CHORUS]
Here today, gone tomorrow

Big star machine
Ricky Martin or Menudo
Big star machine
VH1 where are they follows
Big star machine
How could I have been so shallow
Big big star machine. Big big star machine. Big big star
machine.
Big big star machine. Big big star machine.
