Tell me that it's gonna be okay
Tell me that you'll help me find my way
Tell me you can see the light of dawn is breaking
Tell me that it's gonna be all right
Tell me that you'll help me fight this fight
Tell me that you won't leave me alone in this

[chorus]

'Cause I need
I need a hand to hold
To hold me from the edge
The edge I'm sliding over slowly
'Cause I need
I need your hand to hold
To hold me from the edge
The edge I'm sliding past
Hold on to me

Tell me I can make it through this day
I don't even have the words to pray
You have been the only one who never left me
Help me find the way through all my fears
Help me see the light through all my tears
Help me see that I am not alone in this

[chorus 2x]
