intro:

Turn up the car radio, we can be karaoke superstars,
karaoke superstars.

verse 1:

Red rover, red rover, please let me come over. May be
queen for a day, and escort to roll over. Last to be
chosen, will I be here left over? Well it's alright, baby
it's alright, baby it's.....I feel alone...I feel unseen...I feel
marked down..I just get my keys, and we can...

[chorus]

Turn up the car radio, we can be karaoke superstars.
Dosen't matter what they think, when we're drivin' in my
car.

verse 2:

Red rover, red rover, I don't wanna come over, cut me
down to your size so you tower me over. Only works if I
cared, and if I don't your reign's over. And it's alright,
baby it's alright, baby it's.. I am alone. I am unseen. I
define myself. I just get my keys, and we can....[repeat
chorus]

verse 3:

Red rover, red rover, if you want to come over, it's a no
credit card, there's no one to roll over. Bein' a
superstar when your reign is over...and we're alright,
baby we're alright..baby, we're alright..baby we're
alright. [repeat chorus

3x]... 1 voice ending: WE CAN BE SUPERSTARS.
