Dear diary  
I saw this guy at the show  
He was singing to me  
At least I think so  
All the world around me stopped when he said Hi  
what's up baby  
(sigh)  
He's the perfect guy  
His hair, his eyes, oh, I love his smile  
When he opened the door  
Knew he was worthwhile  
He looked so good standing right next to me  
So beautiful I know our children will be  
This time I know it's true love

He is the one that I've been waiting for  
I promise to love him forevermore  
I've waited my whole life for the day I am his  
I just know he's the  
Wonder what his name is

Dear diary  
Today I found a new guy  
With a movie star face and the perfect lines  
Knight in shining armor  
Hero to rescue me  
He'll be so romantic just like in the movies  
He'll play the roll of a boyfriend for me  
like in "Here on earth" with Leelee Sobieski  
There is just one problem  
something i might have mist  
he's a movie star, he doesn't know I exist  
This time I know it's true love

He is the one that I've been waiting for  
I promise to love him Forevermore  
I've waited my whole life for the day I am his  
I just know he's the  
Wonder what his name is

Dear diary  
I thought my dreams had come true

Last week I found the one to give my heart to  
Told all my friends about him, even tried his last name  
Didn't see that to him it was all just a game  
He seemed so nice, I've known him for a whole week  
But my friends didn't like him, didn't know him like me  
No more crushes or rushes learn to be satisfied  
With being single again - wait who's that guy  
You are cute!

He is the one that I've been waiting for  
I promise to love him Forevermore  
I've waited my whole life for the day I am his  
I just know he's the  
Wonder what his name is  
Wonder what his name is  
Wonder what his name is

He is the one that I've been waiting for  
I promise to love him Forevermore  
I've waited my whole life for the day I am his  
I just know he's the  
Wonder what his name is  
Wonder what his name is  
Wonder what his name is
