Enough.

[Verse1]

It's nothing at all,
The party hadn't started yet,
And you get me to stop,
Baby off your sandals,
I'll get some crackers,
Burn the fire blow the candles,
I know you're gonna enjoy it, Took off that shit,
About that day and play on the music, (We'll refuse it)

[Chorus]

Leggo!
What you're waiting for?
Dancing out loud,
Till the clock strike four,
It's never enough,
Enough, Enough,
Enough, Enough,

[Verse2]

Grab a hot drink,
Mix some ice in that,
And look that pumpin',
Don't listen at music,
Dance at the sound of my heart beat,
And I beat you're gonna bring the heat,
Here's she says, here's he says,
It's never enough,
Take me more higher,
Set the rain to the fire,

[Chorus]

Leggo!
What you're waiting for?
Dancing out loud,
Till the clock strike four,
It's never enough,
Enough, Enough,
Enough, Enough,
