[Verse1]

I don't where's this ride going,
But on the right way my heart's saying,
No matter if it isn't workout wouldn't take a shortcut,
Well I'm okay with things I've,
Whoa Whoa,
Give up from that cheats,
Whoa Whoa,
Follow up your heartbeats,
Climb yourself up,
Strike minds above,
Teach 'em what they are,
No matter how much ways are far,

[Chorus]

When it's not happenin',
Listen up to your heart & beat,

[Verse2]

Just wished could wipe off that problem,
Better off could overcome above 'em,
Sometimes we're so lazy,
Even when it's too easy,

[Chorus]

Anyways!
Listen Up to the Heart & Beat (x6)

[Fastrack]

What's the matter,
Why're'ya there stuck,
Short ways ain't so better,
Lies are sweet melodies,
Truths are much bitter,
Everything's still not stay what they were,
Your daydream could turn out to an nightmare,

[Chorus]

Anyways!
Listen to the beat of your heart, Nothing could get
apart, Close your eyes,

Listen Up Your own heart & Beat (x6)
