when there's a chance around,  
everybody's comin' down,  
straight from the sky,  
so, they can again fly,

play the music so you can know,  
what fun really is, so let's go,  
this night is like never before,  
what could I say therefore,

why the moon's dancin',  
what could it be, is he too chancin',  
everything seems movin',  
what magic we're doin',

play the music which never stops,  
we don't had a space for flops,  
countdown.. 1.. 2.. 3!!  
meet the deadline,  
meet the deadline,  
meet the deadline,  
passing the limits,  
crossing the heights,  
cause the games not over,

when the sun's rising around,  
everybody's pushing it down,  
when the sun disappear,  
we get back here,

when the lights gone,  
speakers are off,  
that is sounding so alone,  
but i know what a voice is for,

so, i sung the song,  
everybody now enjoying along,  
outside the birds, giving tune,  
to my words, that's what i want,

wanna rise tell me the sun,  
aren't you enjoying the fun,

i'm sure without any doubt,  
that i don't know what i'm talking about,

just i'm repeating  
"Oh yeah!.. Are all fine? Now, cause we're gonna meet  
the deadline"  
meet the deadline  
meet the deadline  
meet the deadline

lift it up or you can down,  
this is only the time to rock the town,  
never matter whatever,  
i hadn't paid the cost yet,

half of the night has gone,  
the disco owner says c'mon,  
we're tired like running a thousand mile,  
but no one care still dancin' with a smile,

now the floor so rough,  
to dance it's getting tough,  
pink, blue, and the fawn,  
let's get down to the lawn,

on the grass and the sands,  
without any slippers or make up,  
it's the time to take up,  
we gonna show you now,  
to meet the deadline how,  
meet the deadline  
meet the deadline  
meet the deadline  
three times more  
meet the deadline  
meet the deadline  
meet the deadline

i'm never gonna miss a chance,  
to show you me sing and dance,  
tell me whats on your mind,  
my mind"s reaptng "help me time",

make the day not to come,  
so we can party all night along,  
and the night is never endin',  
when the sun's not here,

i'm just rocking,  
like am stocking,  
all my old and new records,

failing all the faking,  
the world's shaking,

i'm on that, why not you,  
for doin' that i'm giving you clue,  
listen to the beat,  
move round,  
feel the heat,  
admire the sound  
put you hands up towards sky,

the reason's not clear,  
listen to your heart dear,  
tune in yourself,  
not anybody else,  
c'mon c'mon c'mon,  
lets together,  
c'mon c'mon c'mon,  
do it forever,  
meet the deadline,  
meet the deadline  
meet the deadline  
meet the deadline  
meet the deadline  
meet the deadline
