Cupid, My heart you've blurted,  
When I gotta see you love's in,  
I just know I want you till the end,  
Never ending,  
All of your love is,  
Fantasy, It's just like a dream,  
And I know you're getting me,

A million roses in a line,  
All of your love and mine,  
I could hear you calling me (Oh! Girl),  
From anywhere in the world,  
Your love's not outta range,  
Out The Cupid,

The songbirds singing,  
I can hear it,  
My heart is ringing,  
Out The Cupid,

It's what your love is!,  
Love is, Love is,  
Love is, Love is,

Crawling,  
The entire world's crawling,  
Down At your feet,  
And I'm just gone,  
But this is so more on,  
Stunning,  
You make it feel so precious,  
And in my heart you're trending,  
Like the lava's spreading,  
Over the ice,

A million roses in a line,  
All of your love and mine,  
I could hear you calling me (Oh! Girl),  
From anywhere in the world,  
Your love's not outta range,  
Out The Cupid,

The songbirds singing,  
I can hear it,  
My heart is ringing,  
Out The Cupid,

It's what your love is!,  
Love is, Love is,  
Love is, Love is,

I don't fall in love so easy with someone,  
But for you I felt something,  
Start up all your loving that you're gonna gimme,  
Cause I can't wait so more!

Everything ends,  
Everything ends,  
Your love's never ending,

It's what your love is!,  
Love is, Love is,  
Love is, Love is,

A million roses in a line,  
All of your love and mine,  
I could hear you calling me (Oh! Girl),  
From anywhere in the world,  
Your love's not outta range,  
Out The Cupid,

The songbirds singing,  
I can hear it,  
My heart is ringing,  
Out The Cupid
