Swagger came stood in the front of me,
I said holding his wrist "what's the big deal?",
She pulled his hand and, took up his guitar,
She played out so loud, Played it so far,
Fingers bleeding but, Don't even rest for a while,
O'yeah that move my mind round and round so trolled,
I'm like just so fallin' at her feet, (Fall),

"Hey swagger, How'd I know they key to your heart"
And just could get us a part, Yeah,
You're my Rock Star, Rock Star,
Yes That's what you are,
You're my rock star,

Swagger hold my waist and pulled me at her,
And said "Many comes up and go like you."
"You're not so special why do I care?"
But you know that my love is something special that's
true,
Don't cast a spell on me that's so hard,
That I couldn't get you apart,
Not like I'm scared to face the love of yours,
And gotta make it soon ours,

"Hey swagger, How'd I know they key to your heart"
And just could get us a part, Yeah,
You're my Rock Star, Rock Star,
Yes That's what you are,
You're my rock star,

"Hey swagger, How'd I know they key to your heart"
And just could get us a part, Yeah,
You're my Rock Star, Rock Star,
Yes That's what you are,
You're my rock star,

I'm not gonna change what I've pretend,
You're in danger cause I'm not gonna leave ya,
And I'm sorry if you're on me...
"Hey swagger, How'd I know they key to your heart"
And just could get us a part, Yeah,

You're my Rock Star, Rock Star,
Yes That's what you are,
You're my rock star,

Swagger... Swagger... Swagger...
Swagger... Swagger... Swagger...

Swagger... Swagger... Swagger...

Swagger... Swagger... Swagger...

Swagger... Swagger... Swagger...
