I'm like spinning out [x2]  
Let's go get it down!  
Gimme' the kick on the floor,  
We're so rockin' that's why therefore,  
Blows Away

We've not got another way [x2]  
There's nothing to sort,  
And of game you're out,  
Then you've just to,

No one, Nobody  
Someone, Somebody  
Shakes up the world,  
Every boy & girl,  
Come down straight on the floor,  
Never let the music go,  
It's a story you know!

Bring 'em back [x2]  
All of your enemies and your friends,  
Leave the past,  
We can take as long as you want!

Take your soul higher!  
Reach your every desire!  
Mix off, Every genre,  
And look you're in the spotlight!  
Spotlight, Spotlight!  
You're gonna get the,  
The award of years queen,  
Lemme take your hand!  
And Look we're on the cam,  
Spotlight!  
Spotlight!  
Spotlight!  
I've a spell to tell [x2]  
Make 'em go on ya,  
Never letcha say nah,

Shh, Shh, Shh,

I've got a secret!  
But it's not right yet,  
Without you in my world!  
It's like you're the one!  
Nobody could compare with,  
Who knows Jhon Smith,  
And when you've gotta go,  
There's just me lone,  
But still hitting the spotlights!

Take your soul higher!  
Reach your every desire!  
Mix off, Every genre,  
And look you're in the spotlight!  
Spotlight, Spotlight!  
You're gonna get the,  
The award of years queen,  
Lemme take your hand!  
And Look we're on the cam,  
Spotlight!  
Spotlight!  
Spotlight!  
I've a spell to tell [x2]  
Make 'em go on ya,  
Never letcha say nah,
