It's the time, (Yeah)

Everywhere there's craze,
Everybody's on the stage,
There's a party going on, nearby the street,
And look at me I'm racing with my heartbeat,

Yeah! Yeah! Yeah! Yeah!
Want 'cha here!
But still I feel something wrong,
There's no magic when you're not around,
Yeah! Yeah! Yeah! Yeah!
Want 'cha here!
The lights are crashing!
And the music gettin' louder,
So you know I can bet my life,
That you're somewhere near,

Yeah! Yeah! Yeah! Yeah!
Want 'cha here!
Then never letcha go,
Want 'cha here!
I'm freezin' I'm frost!
Want 'cha here!
Want 'cha here!
Want 'cha here!
I'm gonna pay any coast,
It's the time, (Yeah)

You're the source where fun begins,
You're the reason of the motion in the air,
And you've got it all everybody pretends,
And you're escaping away from me, that's not fair!

Yeah! Yeah! Yeah! Yeah!
Want 'cha here!
But still I feel something wrong,
There's no magic when you're not around,
Yeah! Yeah! Yeah! Yeah!
Want 'cha here!
The lights are crashing!

And the music gettin' louder,
So you know I can bet my life,
That you're somewhere near,

Want 'cha here!
Want 'cha here!
Want 'cha here!
I'm gonna pay any coast, (x3)

To myself I'm saying,
You're on the way running,
But I don't where you are,
But you're not so far,

Yeah! Yeah! Yeah! Yeah!
Want 'cha here!
Then never letcha go,
Want 'cha here!
I'm freezin' I'm frost!
Want 'cha here!
Want 'cha here!
Want 'cha here!
I'm gonna pay any coast,
It's the time, (Yeah)
