Every honey bee
is filled with jealousy
When they see you out with me
I don't blame them
Goodness knows
Honeysuckle rose

When you're passin' by,
Flowers droop and sigh and,
I know the reason why
You're much sweeter
Heaven knows
Honeysuckle rose

Don't buy sugar
You just to touch my cup
You're my sugar
So sweet when you stir it up

When I'm takin' sips
From your tasty lips
The honey fairly drips
You're confection
Goodness knows
Honeysuckle rose

I don't buy sugar
You just touch my cup
You're my sugar
It's oh so sweet when you stir it up

When I'm takin' sips
From your tasty lips
The honey fairly drips
You're confection
Goodness knows
Honeysuckle rose
