Track: Susiprasad ft For You

Album: amorous

Label: *****

[Verse]

I always tried to know
You, miss me by my girl, as well
I never had a streaming sense

[Chorus] On a babe

I got these sleeping pills
Want you to be in my dreams
I never got such a situation

[Chorus] How that feels

[Bridge]

Ga got something missing girl
Mi mind just goes as well
Coz you the one well-favoured girl

[Chorus] like I said

You cannot imagine
How beautiful my world has become
With you by my side
Iâ€™m the luckiest person on the earth
Together, forever, never apart
May be in distance
But never in heart

[Verse]

I always tried to know
You, miss me by my girl, as well
I never had a streaming sense

[Chorus] On a babe

I got these sleeping pills
Want you to be in my dreams
I never got such a situation

[Chorus]How that feels

[Bridge]

Aint no person drives like
My sweetie does it
Oh, Skoda you the luckiest car

[Chorus] mind if I say it

Thereâ€™s no quote on her smile
As she looks awesome on it
Donâ€™t know her eyes seems like
My heart is melting
Her face is the most beautiful painting
That you can imagine
The most beautiful word of her name
Was ever written in my heart
