This song is dedicated to the all gaanja addicted lovers who are emotionally tortured by their girls to leave gaanja smoking.

Yaar ye pehli bar, hua pehli hi nazar me mujhe pehla
pehla pyar
Pyar ka wo khumar, chhaya mujhpe uska esa na ho
raha intazar.
Oh mahadeva devo ke deva tere dar pe ake me kar
raha hu dua.
Awara dil tha mera usko isne ghera dharkano ko jo
chhera jane mujhko kya hua....
(Oh baba baba)-3 jai mahadeva...
Mahadeva-3 jai mahadeva...

Sehmi, sehmi lafzo tale kiya mene usse pyar ka izhaar
Gaanjari, gaanjari samajh ke kiya bin soche hi usne
inkaar..
Sauda kiya usne esa majbur mai hogaya
Chunu pyar ya gaanja, musibat mei fas gaya
Gaanja bin rehna pau baba ka hu pujari
Aashiq bhi banna chahu par dil se hu gaanjari

Chal ja use chhor diya, maine mera dil torh diya
Gaanja ko maine humsafar chun liya, phuku to mile
saari khushiya..
(Dil bole gaanja rocks gaanja rocks)-3 heiyehh
(Oh baba baba)-3 jai mahadeva...
Mahadeva-3 jai mahadeva...

Mohadevor lila kuneu nubujile, baba phuki phuki ami
koru teur prarthona....
Soku ronga ronga kori, bong chillim hatot dhor, babar
khoron bisari khorogot jaau bola...
Dil bole.... dil bole.... Dil bole gaanja rocks gaanja rocks
heiyehh
Dil bole gaanja rocks gaanja rocks)-3 heiyehh
Oh baba baba)-3 jai mahadeva...
Mahadeva-3 jai mahadeva.....
