I found myself a new life style

And it seems to be working out just fine

I Wanted to go home, but home was too far away

So I'll just hitch hike another night

And now I'm happy all the time

(hey, hey, hey, hey)

Theres Cats in the carpets tonight

(hey, hey, hey, hey)

Another round of thin white lines

Kiss me goodbye

Everything's sold through sex on TV

(please don't blame the drugs)

We hide our shame but we do it publicly

(please don't blame the drugs)

We dress and act how we're told to be

(please don't blame the drugs)

I'm not a follower of your fucking regime

(please don't blame the drugs)

They all ask me

"why can't you be, a regular citizen now?"

So what I get drunk, and do what I want

My noose is swinging too low to the ground

And now I'm happy all the time

(hey, hey, hey, hey)

Theres Cats in the carpets tonight

(hey, hey, hey, hey)

Another round of thin white lines

Kiss me goodbye

Everything's sold through sex on TV

(please don't blame the drugs)

We hide our shame but we do it publicly

(please don't blame the drugs)

We dress and act how were told to be

(please don't blame the drugs)

I'm not a follower of your fucking regime

(please don't blame the drugs)

AAHHHHHHHHHHHHHHHH

Everything's sold through sex on TV

(please don't blame the drugs)

We hide our shame but we do it publicly

(please don't blame the drugs)

We dress and act how were told to be

(please don't blame the drugs)

I'm not a follower of your fucking regime

Please don't blame the

Please don't blame the

Please don't blame the drugs
