Don't think I've ever been so confused.
Don't think I know just what to make of you.
You reel me in, just to throw me back again
and then
you do it all again.

You do it all again.

And I can't win.
I just can't win.

Can't pin my hopes on you,
Can't dream of future days.
I don't know what to do,
Can't think of what to say.

But I'm here for you
if you'll just show me the way,
show me the way
to get through,
to get through
to you.

Can you hear me?
Hear my soul scream
Can you hear me?
Hear my soul scream

If I just stand bACK
maybe it could happen.
Don't mean to drive you off.
I know I'm overwhelming.

I come on too strong
and I frighten you off
and I know I'm wrong.
I know I'm wrong.
And I'm so lost.
I'm so lost.

Can you hear me?

Hear my soul scream.
Can you hear me?
Hear my soul.....
scream.

Oh.
