Another night another room another phone call  
One more day  
Another road another sign by my window  
Counting miles away

I'd come back I would  
I would come right back to your arms  
If I only could

So long hard roads  
Wake me up when we're home  
Wake me up when we're home

Yesterday is today is tomorrow the next day Is the  
same  
As I wander these miles I wonder  
Should I have stayed

I would turn around  
I would come right back your way  
Just not today

So long hard roads  
I'm coming back home  
So long hard roads  
Wake me up when we're home

I might turn around  
I'll come back some day  
I might turn around  
I'll be home some day

So long hard roads  
I'm coming back home  
I'm coming back home
