"Sun Goes Down"

The darkness falls I keep on walking,
The angels cry, the devils talking.
And I'm wondering if you'll ever hear me,
And I'm wondering if you'll ever see me.

Do you feel me coming,
Keep running,
Keep running,
Ohh.

I'm the light that turns on in the night,
I'm the fire that burns on, never dies.
You're the one I'm wanting,
Crawling underground,
Wake me when the sun goes down.

Your heavy heart, it pulls me under,
A deadly strike, as fierce as thunder.
I'm suffering without you near me,
And I'm suffering with you far away from me.

Do you feel me coming?
Keep running,
Keep running,
Ohh.

I'm the light that turns on in the night,
I'm the fire that burns on, never dies.
You're the one I'm wanting,
Crawling underground,
Wake me when the sun goes down.
Ohh.

Do you feel me coming?

Do you feel me coming?

Ohh!
Do you feel me coming?
Do you feel me coming?

I'm the light that turns on in the night,

I'm the fire that burns on, never dies.
You're the one I'm wanting,
Crawling underground,
Wake me when the sun goes down.

Crawling underground,
Wake me when the sun goes down.

The darkness falls I keep on walking.
