"Too Well"

I'm not so weak
Or so you seem to think
You walk right by
These words trip on my pride
There was a time when nothing went my way
Feels like that now
But really I feel ok
But really I feel ok

I ran right in
To a storm inside your eyes
Pick up those keys
And then just start to drive
The road blurs by
Every tear is like a clue
I pick them up
And follow them back to you

But I do
Really I feel ok
I'm fine
This is gonna make me strong
make me strong

I'm not so strong
Or so I seem to think
You walk right by
And I make my knees get weak
This time, stand tall
See what it does do you
walk right by
And nobody has a clue

But I do
Really I feel ok
I'm fine
Really I feel ok
I Do
Really I feel ok
I'm fine
This is why I'm moving on

I'm moving on
