(Lord You Know I'm Not Perfect , And I Can't Do This
Without You I Need You, Show'em)

I Accepted Jesus As My Personal Savior But, I Really
Need To Know

(Where Do I Go From Here)

There's A Lot That Seems To Dwell Inside My Soul I
Won't Let It Go

(Where Do I Go From Here)

The Minister Warn Me That The Enemy Would Swarm
Me A Soon As I Made Up My Mind That I Wouldn't Go
Back No More , More , More

(And Now That I Made My Mind How Do I Last This Time
I Refuse To Fall Away From Him)

One Thing Is For Sure

(Sure)

I Refuse To Go

(Go)

Back To The Man That I Once Was. See I Wanna Break
Away From My Past Ain't No Turning Back Give Me
Tools So I Can Last Why Do I Feel This Way

(Closer Still)

Ho No

(He's Calling You Out)

What Does It Mean What Does It Meannnnnnnnnn

(Closer Still)

Oh Oh Closer Still

(Gotta Break it Down)

(Gotta Break It Down For Me)

Cause' I Really Hate It Gotta Separate All The Negative
From Me

(Break It Down Break It Down Down)

I Wanna Change Believe Me But , The Only Way I'll
Make It If The Transition Is Easy

(Lord Help me)

There's A Lot Of Things That Must Change In My Life
And I Really Need To Know

(Where Do I Go From Here)

But If I Fell Again Commit The Same O'I Sin Can You
Forgive Me When

(Where Do I Go From Here)

Lord Could You Please Warn Me If The Enemies Upon
To Try To Destroy My Point Of View
(Try To Push My Love Away From You)
And It Just Ain't Devil Cause' It's My Flesh To. I'm
Seeking You For Wisdom So You Tell Me What To Do
Take Whole Hold Of This O So Piece Make It New I'
Waiting On You
