Crazy music
crazy music for crazy people
crazy people.
Crazy music
crazy music for crazy people
crazy people.

It's time you start to dance

I'll get into a dance and my heart's on fire.
My heart's on fire.

I'm burning like a flame

You're driving me insane
I'm crazy about you
Baby.

Crazy music
crazy music for crazy people
crazy people. . . .

So Baby
be aware
there's dancing in the air

Take care of you
take care of you.
Don't let it get too hot

For there's no way to stop the passion inside my heart.
