i try to cell the bout, but water is free
she has the towel
then no clothe
cant gave way, wen the road is clean
tell her

chorus
amen alleluyah
till the end we go
we go down
we hop and bend
undress the well

and hit the idea

hell no broke, fury the hips
carry the bowel
she hangs the phone
keeps the top of my op

amen alleluyah
till the end we go
we go down
we hop and bend
undress the well
and hit the idea
